OTHER OPTIONS

Guest Reservations - Using Concessions

Guests may be introduced on the courses and days of the week, which your Yearly Ticket entitles you to play, e.g. Restricted-5 Day ticketholders would only be allowed to introduce a guest from Monday to Friday on any course other than the Old or The Castle.

The Yearly Ticketholder must play with their guests and may take a maximum of three guests at any one time.

Exception: Restricted ticketholders will be able to use their points to introduce guests when playing the two £10 rounds to which they are entitled at The Castle Course. Restricted-5 Day ticketholders can use their £10 rounds on The Castle Course over seven days.

These guest concession reservations are subject to the Yearly Ticketholder having sufficient guest points and payment of the appropriate Guest concession fee.

For Old, New, Jubilee, Eden and Balgove Courses payment is made at the Starter's Box.

For Strathtyrum and Castle Courses payment is made at the appropriate Clubhouse.

If a Yearly Ticketholder secures a local priority time on any course, guests may play with the Yearly Ticketholder (for Old Course please see 'Local Ballot Process' on our website for further details of replacements and additions).

Advance Reservations for play with guests may only be made through the Reservations Department or by booking online additional tee times, **up to two** days ahead of play.

Reservations may be made **up to two** days ahead of play as long as golfers are using guest points or paying the normal full green fees. At least 50% of players in any group should be guests. Fees are payable at the time of booking and guest ticket points will be deducted at the same time. Only golfers holding R&A and full Adult tickets may apply for guest rates on the Old Course. Bookings are subject to availability, which is particularly tight in the high season. Golfers must play with their guests and may take a maximum of three guests at any one time.

Note: Guest ticket points may only be used within the current yearly ticket period (1 April – 31 March) and may not be carried forward. Bookings may be made in one yearly ticket year for the next, providing the yearly ticket has been renewed by 31 March.
