Replacements and Additions

Local Preferential Ballot Times

Replacements and additions to each start-time may only be made as long as the new golfer holds a current Links Ticket. All other replacements should come from the casual list in the order they were placed on the list, providing casual golfers are present.

Please be aware that when the Lead Golfer does not play, provided a golfer within the group is eligible for the Local Preferential Ballot, then the group can retain the start-time.

Open Ballot (All ballot times except those listed above)

If successful only the golfers' named on the ballot card will be allowed to play. All replacements or additions to each start-time will be taken from the casuals list in the order they were placed on the list with no priority given to local golfers.
