

How to Book St Andrews Links – A Tour Operators Guide

St Andrews Links, the Home of Golf

St Andrews Links is the largest public golfing complex in Europe with six 18-hole courses and one 9-hole course. The three Championship courses; Old, New, Jubilee run side by side along the West Sands with the Eden, Strathtyrum and 9-Hole Balgove situated at the opposite end of the Links. The seventh course at the Home of Golf, the cliff-top Castle Course opened for play in 2008 and has continued to climb the Top 100 list ever since. Based five minutes from the centre of town, The Castle Course offers breathtaking views over the whole town.

Off the course, **St Andrews Links Golf Academy** is one of the premier instruction centres in Europe offering first-class coaching as well as a wealth of practice facilities including a 60 bay floodlit driving range and a short game area. The most popular visitor package is 'Prepare to Play the Links.' Playing on courses that run hard and fast and are subject to capricious breezes, Links golf is the most challenging and rewarding version of the game and the aim of this two hour programme is to ensure visitors get maximum enjoyment out of their round at the Home of Golf. Developed by our team of instructors, specialties include the low ball flight, pitching from tight lies, playing downwind, chip and runs, the "Texas wedge" and of course, how to escape Road Hole bunker. The package makes use of digital and video technology which is stored in the clients' personal online account. The Golf Academy also has an extensive corporate offering.

There are three public clubhouses serving the seven courses at the Home of Golf. The Links Clubhouse offers facilities for golfers playing the Old, New and Jubilee Courses. Located within the heart of the Links Clubhouse celebrating the life and influence of the Grand Old Man of golf overlooking the courses he helped to shape, The Tom Morris Bar & Grill is a Scottish produce driven casual dining restaurant with a real sense of history and authenticity.

As popular as the course itself, The Castle Course Clubhouse is well worth a visit, even if just to drink in the stunning views over St Andrews Bay. Set within the modern clubhouse setting is the Rock & Spindle restaurant. There you can enjoy Scottish gastropub classics, handmade burgers, fresh fish and chips, mussels and fine, local ales all while looking over the panoramic views across The Castle Course and volcanic Rock and Spindle sea stack. With a circular glass front and terrace, alfresco dining is available during the warmer months.

A constant hub of activity, the Eden Clubhouse offers a friendly and inviting atmosphere for golfers playing the Eden, Strathtyrum and Balgove Courses. Located in the Eden Clubhouse is Cafe Spike. Whether you are an early riser or looking for some late lunch, Cafe Spike proudly serves simple, Scottish fayre. You can choose from soups, sandwiches, home baking, Scottish-roasted coffee, tea and a selection of fine local ales, wine and ciders. The perfect spot for a pre or post golf visit for refreshments.

The Castle Course

Advance Bookings can be made at least 2 days ahead for the spectacular cliff-top course and the full green fee is payable in advance. Tour Operators wishing to book times should contact the Reservations Department.

New Course

Advance Bookings for the popular New Course can be made at least 2 days ahead. The full green fee is payable in advance.

Any bookings less than 2 days ahead can be made by approaching the Starter on the day of play. Tee times are allocated on a first come first served basis and payment is made on the day to the Starter.

**Due to the R&A entitlement (every alternate tee time), the New Course is not suitable for very large groups as the maximum number of times we can book in one block is 4 (16 players).*

Advanced Bookings

For all advance bookings, it is best to book with as much notice as possible but the minimum notice period we have is 2 days with immediate payment.

VAT is payable on golf bookings made by commercial concerns such as tour operators, hotels, corporate bookings etc. Bookings made with the Trust by individual golfers are VAT Exempt, with the exception of The Castle Course where VAT always applies. The cancellation policy with all advance bookings is that pre-paid green fees are not refundable and we do recommend golfers take out travel insurance in the event they are unable to play. We are flexible in that we will try to move a booking to an alternative date to accommodate circumstances.

Successful Ballot

If your clients enter the ballot and obtain a time which prevents them from playing another course they have booked and paid in advance, we will try our very best to accommodate them and move the other course to another day within 3 days. Unfortunately, green fees cannot be transferred or refunded.

The Ballot for the Old Course is drawn 48hrs in advance. This benefits visiting golfers by enabling them to plan their golf more effectively if they know further in advance when they will be playing the Old Course. It will dovetail with the one-day ahead booking system on The Castle, Jubilee, Eden and Strathtyrum courses and will enable golfers who have been unsuccessful in the ballot to book an alternative course for the day they want to play.

Unlimited Golf

3-day Unlimited Advance Ticket

One tee time per day can be booked in advance over any 3 days within 7. Excluding the Old Course, this ticket offers unlimited golf in addition to the booked rounds, subject to availability. Extra rounds can be arranged in the same way as above for bookings less than 7 days ahead. Advance bookings can be made with at least 2 days' notice.

3-day Unlimited Ticket

Available to purchase from the Clubhouse Receptions and Starters on the first day of play. Excluding the Old Course, this ticket costs less than the advance ticket and times can be reserved 24hrs in advance or on the day of play. This ticket offers maximum flexibility and can be used any 3 days within 7. We also have a 7 day ticket available for any 7 days within 14 and works in the same way. The tickets entitle the player to unlimited golf on each day of the 3 or 7 days of play.

What can non-Golfers do?

Although renowned world-wide as the Home of Golf, the town has much more to offer than tee-times. A hub of activity, the town centre is littered with independent retailers, cafes and bars. A tour of the ruined Cathedral, Castle and Church offers an insight into 12th Century St Andrews and of course the oldest University in Scotland which has seen a surge in visitor numbers keen to see where Prince William and Kate first met. The West Sands is the perfect place for a relaxed walk or if you are looking for an adrenalin fix, activities range from beach kayaking and land yachting to more traditional water sports.

Looking to rejuvenate?

A number of hotels in the area have first class spa and fitness facilities open to everyone, even if you are not a hotel resident.
